

The Manson School District is asking interested community members to preview/comment on a proposed Human Growth & Development/HIV/AIDS instructional materials adoption. If you are interested in reviewing these materials, please contact the elementary school at 687-9502 or the secondary school at 687-9585 to arrange an appointment. Parents of district students will also have an opportunity to preview these materials prior to the materials being utilized with students.

The Manson School Board will consider formal adoption at its March 22, 2010 board meeting.
