

Manson School District

Monthly Policy Review-Worksheet

Policy: Ends I-2a High Academic Achievement for Each Student

The Mission of the Manson School District is continuous student learning.

We envision a compassionate and challenging environment where students:

- Are valued as individuals;
- Stretched to achieve their full potential;
- Understand and contribute to the world they live in;
- Acquire the social skills to be successful in a complex and rapidly changing world;
- Are well nourished, safe and nurtured.
