

2021-2022 – Out of Endorsement Teaching Plan – Phil Fournier

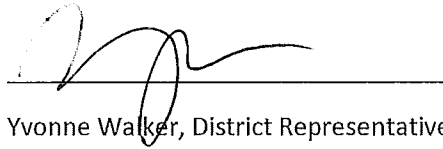

Mr. Fournier is teaching a trimester of 7th grade ELA/WA St. History course. He has the proper WA state endorsement for ELA. Federal Title II requirements are that he hold a 4-12 Social Studies endorsement or a K-8 Elementary Education endorsement. Thus he will collaborate with our social studies lead teacher.

Plan for social studies integration with ELA:

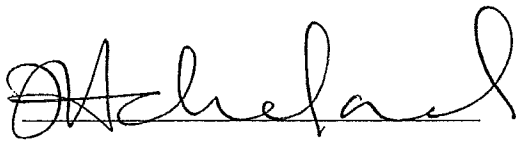

1. Mr. Fournier will receive support from Social Studies endorsed teacher (Soliday).
2. Mr. Fournier will be provided the Social Studies proficiency standard and Since Time Immemorial: Tribal Sovereignty in Washington State lessons.
3. Mr. Fournier will be provided ample time to prepare for his lessons.
4. Mr. Fournier will have the opportunity to purchase additional social studies instructional materials.
