

2021-2022 – Out of Endorsement Teaching Plan – Heather Teague

Ms. Teague is teaching a trimester of 7th grade ELA/WA St. History course. She has the proper WA state endorsement for ELA. Federal Title II requirements are that she hold a 4-12 Social Studies endorsement or a K-8 Elementary Education endorsement. Thus she will collaborate with our social studies lead teacher.

Plan for social studies integration with ELA:

1. Ms. Teague will receive support from Social Studies endorsed teacher (Soliday).
2. Ms. Teague will be provided the Social Studies proficiency standard and Since Time Immemorial: Tribal Sovereignty in Washington State lessons.
3. Ms. Teague will be provided ample time to prepare for her lessons.
4. Ms. Teague will have the opportunity to purchase additional social studies instructional materials.
